

Investment Objective

The Fund is a "enhanced" Index Fund invested in shares of the ten firms that compose the Colombo Top 10 Index (TOP 10 Index), with respective market capitalization proportions. The TOP 10 index is selected by an independent Index Committee, and the fund aims to follow the market capitalization proportions of the Index on any given day, while the TOP 10 Index aims to track the performance of the overall stock market.

Benefits to investors

- Ability to invest in 10 of the largest stocks in the CSE with the minimum investment of Rs. 5,000/-
- 10 companies are selected/reviewed quarterly by an independent index committee.
- Diversified portfolio.
- The risk is limited to market risk, i.e. no trading or manager risk.
- All income distributions and capital gains from the fund are exempted from tax within the fund since Unit Trust acts as flow through. However, individual tax brackets will apply to investors.
